1.0 Introduction

Wingfield Academy is a 11-16 mixed comprehensive school in the Borough of Rotherham. As part of a Multi Academy Trust, we are our own Admissions Authority.

The Trustees and Local Advisory Body will ensure that:

- The admission arrangements are reviewed annually and consultation takes place on changes with all other admission authorities and the Local Authority (LA).
- The admission arrangements are made available to parents and potential parents.
- Students are admitted in accordance with this policy.
- Where places are available, students are admitted in accordance with the agreed priorities.
- The number of students on roll and reasons for unsuccessful appeals will be reported to the Board of Directors and Local Governing Body each term with advice on any implications.

The Trust will comply with all relevant provisions of the statutory codes of practice (the School Admissions Code of Practice and the School Admission Appeals Code of Practice), including Section 149 Equalities Act, as they apply at any given time to Foundation Trust Schools and with the law on admissions as it applies to Foundation Trust Schools.

The Trust participates in the coordinated admission arrangements operated by Rotherham Local Authority (LA). The Local Authority Admission to Secondary School 2025 booklet contains information on all Rotherham schools and is a guide for parents/carers to the admissions process.

Parents/carers are strongly advised to read the booklet and familiarise themselves with the process and the admission criteria given below prior to submitting their application. The Admission to Secondary School 2025 booklet is available to view online:

<https://www.rotherham.gov.uk/downloads/download/216/apply-for-secondary-school-places>

Applications must be made using the Common Application Form (CAF) which will be made available by the Local Authority. Applications must be made direct to the Local Authority by the deadlines specified by them. All places will be offered by the Local Authority on behalf of the Trustees and Local Advisory Board. For Admission to Secondary School in 2025, the Government has deemed that the National Closing Date for receipt of applications will be **31st October 2024**.

Allocations will be notified by the Local Authority in accordance with their procedures. More information and detail can be found from Rotherham Borough County. Use the contact link on the www.rotherham.gov.uk website.

2.0 Admission Arrangements

Wingfield Academy as a member of New Collaborative Learning Trust has agreed a published admission number (PAN) for entry to Year 7 for the 2025/2026 Academic year of 200. Students will not ordinarily be admitted above the PAN.

Where the published admission number for the school is likely to be reached mid category, places will be prioritised within that category by reference to the distance between the home address and the school. Highest priority will be given to those who, on 31st October 2024,

live closest to the school measured in a straight line on a horizontal plane (commonly known as measurement, “as the crow flies”). Distance measurements are calculated (by the Local Authority Admissions Team) using a Geographical Information System which applies seed points as determined by Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used.

Where places are being allocated based on the distance criteria or as part of the distance tie breaker, and there are insufficient places within the admission number for two (or more) children living in the same building (e.g. flats) or otherwise equidistant from the school, then any final place will be allocated by the simple drawing of lots by a representative of the Local Authority.

Where applications are received for twins, triplets, siblings born in the same academic year etc these will be treated equally as there is nothing within the admission criteria to distinguish between them.

Places will be allocated in accordance with the LA’s co-ordinated admissions schemes for Secondary schools. In assessing preferences, the LA will operate an ‘equal preference’ system, which means that no priority will be given according to the ranking of the preference, except where a potential offer can be made in respect of more than one school. In that situation, the final offer of a place will be made at the highest preferred school as named on the application form of the potential offer schools.

Information on the catchment area for the school can be obtained by contacting the School Organisation Team on (01709) 254831 or on the Local Authority website at:

3.0 Admissions Criteria

a) Children with an Educational Health Care Plan (EHCP):

The majority of children with special educational needs will not require an Education Health Care Plan. Applications for children who have special educational needs but no Education Health Care Plan, will be considered on the basis of the Admission Authority's published admission criteria.

Parents should ensure that they provide full supporting information to be considered along with their application.
- 3 Children who, on 31st October 2024 have a compelling social reason which the Admissions Authority is satisfied make attendance at **this particular school** essential. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). All references to previously looked after children in the Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

5.0 Waiting Lists

On the National Offer Day of 1 March 2025, the Admissions Team will establish a waiting list for secondary schools in Rotherham where the number of applications for those schools has exceeded the available places in Year 7.

The Local Authority Admissions Team will administer the waiting list on behalf of this school which will operate until the 31 December 2025 when it will cease.

The child's name will automatically be put on the waiting list for a school where they have not been made an offer of a place and where that school is named as a higher preference than the school at which an offer has been made.

Children's positions on the waiting list will be determined solely in accordance with the oversubscription criteria, with no reference to the date of receipt of the application. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list. Should a place become available it will be allocated to the child whose name is at the top of the waiting list on the day that the Local Authority receives written confirmation of the vacancy.

6.0 In-Year Admissions – Transferring School During the School Year

Current Admission Number for entry for Y7;

- Y7:200

Any application for an in-year school transfer should be made via the Local Authority Admissions Team in the first instance. The Local Authority will co-ordinate in-year transfers for most of the schools in Rotherham. Further information and the relevant application form is available on the Authority website:

Transferring School during the school year – Rotherham Metropolitan Borough Council.

Application form

A paper copy of the application form can be requested from the Admissions Team:

Telephone 01709 823777

or

E-mail admissions.enquiries@rotherham.gov.uk

If you are moving homes, please apply in advance of your move to reduce the risk of your child being out of school while your application is processed. You will need to provide details of your new address and when you intend to move.

You are advised to discuss your transfer request with a member of staff at your child's present school.

The Local Authority Admissions Team will record all in-year transfer applications and will forward your application via secure email for consideration by the relevant Admissions Authority.

- Applications received will be forwarded to preferred schools on the day of receipt where possible, or the following working (school) day.
- Applications received during a weekend or bank holiday or during school holidays will be forwarded to the preferred schools on the next working (school) day.

It is not possible to process any applications during school holidays and your application will be considered as soon as schools re-open. Schools are required to respond to in-year transfer requests within a **maximum of 15 school days** from receipt of the application therefore, although in-year applications may be forwarded to schools during school holiday periods, it is unlikely that you will be notified of the outcome of your application until schools re-open and the 15 school day response time commences.

In many cases a child will transfer to a new school only at the beginning of a new term, unless there is agreement by all concerned that the transfer should take place earlier. Until the transfer arrangements have been approved it is expected that your child will continue to attend their present school.

Parents can make applications up to one term before the date when they would like their child to start at the preferred school. Parents can apply from the 1 May onwards for Admission in the following September. Any application for admission in the following September which is received prior to this date will be considered as having been received on 1st May.

You will be notified in writing of the outcome of your application. This decision will usually be sent on behalf of the Trustees/ Advisory Body (as the Admissions Authority) by the Local Authority Admissions Team.

It should be noted that it is the Local Authority's policy that repeat applications made for entry to the same year group at the same school will not be considered unless there has been a significant and material change of circumstances which is relevant to the application for admission.

7.0 Admissions outside of normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Admissions for children outside of the normal age group will follow the process of:

- Parents will contact the preferred school via email or letter to organise a meeting with the Headteacher
- Parents will be invited to present their reasons for seeking a place outside of the normal age group
- The headteacher will decide as to whether the child's application will be considered as per the normal admissions process

- An email will be forwarded to parents/carers and the local authority outlining the decision and reasons for the decision

Decisions to admit a child outside of their normal age group will be made on the basis of:

- Parent's views;
- Information about the child's academic, social, and emotional development;
- Where relevant, their medical history and the views of a medical professional;
- Whether they have previously been educated out of their normal age group;
- Whether they may naturally have fallen into a lower age group if it were not for being born

Where Wingfield Academy agrees to a parent's request for their child to be admitted out of their normal age group, the child will be admitted to the relevant age group (i.e. the age group to which pupils are normally admitted to the school). The local authority and admission authority will process the application as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable.

8.0 Information on Appeals

Where it is not possible to offer your child a place at the school you have applied for, you will receive a letter advising you of the reasons for this decision. This will usually be sent on behalf of the Board of Directors (as the Admissions Authority) by the Local Authority Admissions Team.

All parents/carers have the right of appeal to an independent appeal panel if you have received written confirmation that it has not been possible to offer your child a place at the schools you have applied for.

All independent appeals are organised by an Appeals Clerk and follow procedures, which are set out in legislation and the School Admission Appeals Code of Practice. The Appeals Clerk, Panel and process are independent of the Admissions Authority.

Important requirements to note are:

- Appeals must be in writing stating the grounds on which the appeal is made;
- every parent has the right to attend the independent appeal in order to make their case;
- the parent can be accompanied by a friend or be represented by them;
- independent appeals are heard in private;
- the decision of the Appeals Panel is binding on both parents and the Admissions Authority;
- parents will receive written notification of the Appeals Panel decision.

- Dates – (parents will be advised at the earliest opportunity of appeal dates by the Clerk)

8.0 General Information on Appeals

A separate document containing details of the appeals procedure is available from the LA to parents whose applications could not be satisfied.

Any member of the Authority may attend, as an observer, any hearing by an Independent Appeal Panel established by the Authority.

Parents will be given at least 14 days written notice of the date, time and place of the appeal hearing and will receive prior to the appeal, written documentation summarising the reasons for refusing the admission.

If a parent does not attend the appeal or is not represented by another person the hearing may be held and the case dealt with in the absence of the parent using only the written documentation submitted.

In some cases, parents who are not successful at the appeal occasionally consider applying again for the same school in the same academic year. Unless there has been a significant and material change of circumstances which is relevant to the application for admission, the Authority is not required to reconsider its decision and therefore parents do not have the right of another appeal.
